

hearTV™
un-muted

A Division of TV•EARS®

ENHANCES THE GUEST EXPERIENCE OF ALL AGES

Stream TV audio to your phone, tablet or laptop.

hearTV is the most advanced, fun and versatile TV listening system on the market. The hearTV transmitter streams the TV's audio over Wi-Fi, to any smartphone, tablet, or laptop.

Allows guests to talk on the phone, send email, and surf the internet, all while listening to their favorite TV program.
