

Pro:Centric® INSTALLATION & SERVICES

LG Fulfillment offers turnkey solutions that go beyond hospitality TV products, we also specialize in complex technology solutions that fit the needs of the modern hotelier. In the world of hospitality TVs, LG Pro:Centric® and Pro:Centric® Direct solutions provide premium hotel services without the need for set-top boxes.

With our team of certified national installers, LG Fulfillment is your go-to partner to provide a fully branded, customized experience that makes you and your staff's lives easier. From the planning and products, to install and content management, your guests' experience is always top of mind. We also pride ourselves on excellent customer service, during all stages of your project.

Call us today to speak to one of our seasoned sales team members to speak about our products and solutions.
